

Buying An Existing Home?

Buying a home is one of the biggest decision you will make in your life. You have many choices and many options. To be sure you are making the right decision, you should examine all the housing options open to you. In most cases a brand new manufactured or modular home can be built on owned property for less money than you would spend to buy an existing home in town.

Why buy someone else's "old" home when you can buy a brand new Riverview home for the same money or less and have all of the following advantages?

- Build In The Area You Want To Live, Don't Make Sacrifices With School Selections And Job Commute. Looking For Land? Riverview Can Help, Ask About Our Land Finders Program.
- Get The Floor plan You And Your Family Desire, Not The Layout That Suited Some Other Family. Riverview's Manufacturers Offer 100's And 100's Of Modern Floor plans That Are Professionally Engineered To Meet All Your Needs. Do Not See A Floor plan You Like? Some Manufacturers Will Allow Custom Designs.
- Your Choice Of Colors, Options, Features And Location, Not Items That You Will Want To Change In A Neighborhood You Don't Want To Live In. All Riverview's Manufacturers Offer 1000's Of Residential Options And Features. Just About Anything You Could Want Can Be Done.
- Brand New Home With Brand New Appliances, Carpet, Shingles, Furnace, etc., Not A 20 Year Old Home With Items That Need Replaced Now Or In The Near Future.
- New Home Warranty, Your New RHI Home Comes With A 1 Year Manufacturer Warranty, Not A "Let The Buyer Beware" Purchase.
