Biography

Hi, I would like to introduce myself. My name is Kurt A. Amendola, a life-long resident of the Kiski Valley. Born and raised in Vandergrift, I graduated from Kiski Area High School. I attended Hickson's School of Floral Design in Ohio.

I not only owned and operated Kur Laine Florist in Vandergrift but was also with the Kiski Newspapers as an Advertising Manager for 21 years.

As a member of the Riverview Homes sales team since 2002, I can help you select a home that you will enjoy, hopefully for the rest of your life. So, stop in soon to see what I can offer your family!
