Biography

I have a degree in Mechanical Engineering and did a lot of work in product specifications in the steel industry. I continued my career in financial services and did a lot of work in the insurance industry. My 30 plus years of experience has led me to Riverview Home Inc. Riverview is the best sales and service company in Western Pennsylvania. My unique background coupled with Riverview's position in the manufactured home industry allows me to do the best possible job when helping clients select and finance a new manufactured home.

Awards
