**Biography**

Originally from Sligo, I have lived in Clarion since 1983 with my husband Paul. I have two grown children and a 7 1/2 month old grandson.

I worked in the retail pharmacy business for 22 years, Mary Kay Beauty Consultant for 14 years and have been with Riverview Homes since July 2006.

I enjoy talking to our customers and assisting them with making their dream home a reality. Because Riverview is built on a strong family background it makes sense that families depend on us to furnish them with the best home possible for their family.

**Awards**

2007 - Top Pleasant Valley sales person
