## Biography

Married with no children. Born and raised near Salina, PA, Westmoreland County. "I graduated from Kiski Area HS in 1979 and have worked in the family business in one form or another since its opening in 1970. I worked Saturday, summers and after school for years. I started out washing cars and eventually moved on to the service department. Once I turned 16 and could drive I started working in the sales office after school and on weekends. I graduated from Indiana University of PA with a degree in business in 1982 and immediately went to work at Riverview full-time. Since 1982 I have worked at all of the Riverview sales centers but mainly worked alongside my dad at the headquarters in Vandergrift. Upon dad's retirement in the early 90's I was elected to the position of President. I am grateful for the opportunity to serve in the position I presently have and I attribute any success that Riverview or myself has had to the hard and dedicated work of our employees."
