Biography

Robert is married with no children. He was born and raised near Salina, PA, Westmoreland County. He graduated from Kiski Area High School in 1979, and has worked in the family business in one form or another since its opening in 1970. He worked Saturdays, summers, and after school for years. He started out washing cars and eventually moved on to the service department. Once he turned 16 and could drive, he started working in the sales office after school and on weekends.

He graduated from Indiana University of PA with a degree in business in 1982, and immediately went to work at Riverview full-time. Since 1982, he has worked at all of the Riverview sales centers but mainly worked alongside his dad at the headquarters in Vandergrift. Upon his dad's retirement in the early 90's, he was elected to the position of President.

In his words, "I am grateful for the opportunity to serve in the position I presently have, and I attribute any success that Riverview or myself has had to the hard and dedicated work of our employees."
