Biography

Amy married her husband Bill, in October 2003. In October 2005, she had her first child, Samantha Jane. She has lived in the local area all of her life.

Amy has been in the sales field since 1998, and she has had a lot of experience in different environments. She joined the Riverview Homes sales team at the Vandergrift Sales Center as a Sales Consultant in 2001. As an added bonus, she can help hearing impaired customers because she has been using sign language since she was a child because both of her parents are deaf.

In her words, "I look forward to coming to work everyday to meet new customers and hopefully helping you in every aspect of your dream home purchase. I can help obtain land, get all permits, and of course design your dream home. I also have many resources at my disposal (banks and contractors).
