Biography

I married my husband Bill in October 2003. In October 2005, we had our first child, Samantha Jane. We have lived in the local area all of our lives.

Being in the sales field since 1998, I have had a lot of experience in different environments.

I look forward to coming to work everyday to meet new customers and hopefully helping you in every aspect of your dream home purchase. I can help obtain land, get all permits and of course design your dream home. I have many resources at my disposal (banks and contractors). I work hard for my customers and I will work hard for you.

As an added bonus, I can help hearing impaired customers because I have been using sign language since I was a child (both of my parents are deaf).
